Who is better in speech than one who calls men to God, works righteousness, and says, "I am of those who bow in Islam"?

Our focus is on **three major** aspects of the justice system, the current laws, the judiciary system of courts that interprets and applies the law, law enforcement, detention and corrections. We see the lack of true justice in society as we see the way law enforcement undermines their own oath of carrying out their true responsibility of protecting and serving our communities. We invite you to help us to meet the needs of those that are incarcerated in the prison system in America. We can be a powerful force in reforming a system that oppresses and marginalizes groups of people and systematically deprives American citizens of fairness and equal justice under the law.

Robert F. Kennedy once said each time man stands up for an ideal or acts to improve

a lot of other's or, strikes out against injustice, he sends fourth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring those ripples to build a current that can sweep down the mightiest walls of oppression and resistance.

Funds will be used to:

Support a Muslim Transitional Facility that will house 20 returning citizens every 6 months.

This will allow us the opportunity to continue to educate, provide job opportunities, and develop entrepreneurship.

During their incarceration we provide:

Qurans, Islamic Literature, Prayer Rugs, Kufi Caps, and Hijabs.
